

Candidate Commitment to Support ERA

In an effort to help voters choose a candidate who supports constitutional equality for women, the ERA Coalition will post all known supporters of the ERA on our website. Please use the following form to gauge the support of the candidates running in your state and district and send their response to info@eracoalition.org.

As an elected official, I will support legislation to end economic inequality and violence against women and to promote equality for all women through an Equal Rights Amendment to the United States Constitution. I commit to work for passage of an ERA Congressional Joint Resolution as well as for the state ratification needed to place the ERA in the U.S. Constitution. Full equality for women is a fundamental human right that should be supported by all Americans.
